

INFORMATION PAPER

IMEU-HR
SUBJECT: CONUS PERSCOM

19 December 2006

1. Purpose. To respond to tasker 7-0100; Evaluate the role of CONUS PERSCOM in orders process.

2. Facts.

a. PERSCOM (Human Resource Command (HRC)) does not issue individual orders for reassignments. They issue assignment instructions to the appropriate Military Personnel Office/Personnel Services Bn who in turn processes the assignment instructions and publishes orders or request for deletion/deferment.

b. Under Personnel Services Delivery Redesign (PSDR) the only change will be that the Garrison MPD will process the assignment instructions.

c. Attached chart lays out the orders processing per AR 600-8-11.
